

2022 Community Bankers of Iowa BEST OF THE BEST COMPETITION

April is Community Banking Month, but Community Bankers of Iowa is celebrating all year! Community outreach is a year-round commitment. CBI's **Best of the Best Competition** was formed to spotlight all of the ways Iowa's community banks spent that year making a difference on Main Street in their fundraising, education and volunteerism efforts, as well as spreading the community banking message. And we want to reward one standout bank with a pizza party for the entire staff, compliments of CBI!

Capture your bank's employees doing what they do best - serving the community. In your entry submission please provide a full description of your bank's activities throughout the year 2021. Include additional materials like photos, social posts, press clippings, print & digital collateral—and whatever else you'd like to include for consideration.
